# St. Dymphna

St. Dymphna, the patroness of those suffering from nervous or emotional distress, lived some thirteen hundred years ago. At the age of fifteen she suffered martyrdom at the hands of her emotionally disturbed father.

Since her saintly death, thousands of persons suffering from nervous tension or emotional distress have been helped by this beloved saint of God. Many have traveled to Gheel, the little town in Belgium, to visit the magnificent church of St. Dymphna, built over her original burial site... to hear stories of the cures ascribed to her intercession... to pray before the altar on which her precious remains are preserved in a golden reliquary... to experience for themselves relief from psychic suffering.

To help you become better acquainted with St. Dymphna and to obtain devotional materials in honor of this beloved Saint, please write to:

Easter Sunday is the first Sunday after the first full moon which occurs on or after March 21. It may be as early as March 22 or as late as April 25. In 1967 it falls on March 26.

on March 26.

The six and a half weeks which precede Easter Sunday are known as Lent. However, as restrictions are lifted on Sunday, the forty weekdays of this period constitute Lent during which the faithful are exhorted to follow the example of Our Lord and Saviour in His fast of forty days and nights in the desert. In 1967, Ash Wednesday will fail on Feb. 8.

#### WHAT YOU DO AS A MOTORIST...

Stop for a pedestrian crossing a street within a marked crosswalk.

# The 320 families who'll live here will enjoy the best of everything thanks to flameless electricity.

## Some people have all the luck.

It'll be a great life at the Parkview Apartments. Why not: Everything's as up-to-theminute as a new baby. Take the heat, for example. It's flameless electric. Cleaner, quieter and more troublefree than anything else on the market.

Convenient, too. You see, there's a thermostat in every room so people can set one temperature for entertaining, another for sleeping. And, of course, built-in air conditioning makes sticky summer nights a thing of the past.

Sound good to you? Well, why not find out about it for your own home. You'll be surprised at how little flameless electricity will cost.

You probably won't pay any more for the best than you're now paying for something less efficient and modern. We'd like to give you all the facts. And a free estimate.

Give us a call and get lucky.

# Edison electricity costs less and less

## "CAN A SECULAR CLASSROOM PERIODICAL HELP?"

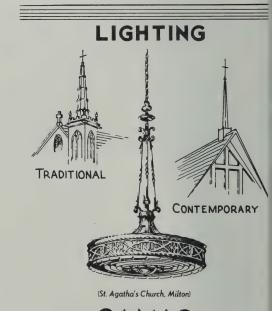

To some extent—yes. But the limits are quickly reached. Take Vatican Council II. This assembly has generated four constitutions, twelve decrees and millions of words—spoken, written, listened to and interpreted. Yet—except as an occasional news item—the secular classroom periodicals largely ignored it. And certainly no secular periodical can begin to keep students abreast of the continuing fruits of this Council.

Can your students afford the limitations imposed by so narrow a view? Shouldn't they be reading the class-room periodicals which show them the whole world? Shouldn't they be reading the Messengers?

There are five school editions: Our Little Messenger in three separate editions for the primary grades; Junior Catholic Messenger for grades four to six; Young Catholic Messenger for grades six to nine.

If you have not already done so, place your tentative class order now.

the Bible. Life, and Worship

> Sister M. Johnice, I.H.M. Sister M. Elizabeth, I.H.M. Inspired by Andre Boyer

Reflecting current biblical exegesis, contemporary theological doctrine, and the statements of Vatican II, the Confraternity Edition of the Bible, Life, and Worship Series is especially designed to serve the particular needs of the parish school of religion. Catechist's Guidebooks provide lesson-by-lesson preparation, presentation, and activities for the catechist. Book I, The Lord Jesus, has been published; Books II, III, and IV are in preparation.

#### From Conversation with Catholic Daughters Member Attending a Convention in Boston

. . . Although I have been living in California for the past eleven years, we really have not transplanted our roots, and, always, I am glad to hear from Boston. Over the years, some of my friends have become lax correspondents, but the sight of the current issue of The DIRECTORY on my telephone table takes care of that feeling of nostalgia which grips me at times.

# Today— Just as for Generations...

First National Stores has come a long way over the years, from the corner store which was once so much a part of almost every New England community to the magnificent, modern supermarkets which range from Northern Maine to New York and New Jersey in our own day. But basic "storekeeping" principles have not changed at First National — and they won't.

Today, just as for generations, First National knows that there is no economy without quality. Insistence upon rigid standards of excellence prevail now, as they always have. Quality is guaranteed.

First National is also dedicated to thrift . . . to lowest possible prices for its customers every shopping day of the year.

Today First National is quite as concerned as ever with matters of friendliness and courteous service and dependability . . . with providing the very best in foods and food shopping, in the famous First National tradition.
